

*Canine Massage
Therapy Lecture*

*Sunday, February 26
1:00-4:00 pm*

Speaker: Mary Pat Corrigan, CMT CCMT

Discussion will include:

- Benefits of Massage Therapy for Dogs
- Types of Techniques
- Contraindications- when NOT to use massage
- Kinesiology Demonstration- Evaluation of Movement
- Several dogs' gaits evaluated and discussed
- Hands-On Evaluation of Dogs' Muscular Condition

Bring your dog! Crowd size permitting, we will evaluate his/her gait and muscle condition. Free with limited spaces. Call Theresa now at (540) 547-2958 to secure your spot.

Speaker biography: Mary Pat Corrigan lives near Front Royal and has been working with animals for over 30 years. She has done massage work on horses, dogs, cats, and steer to—most recently—humans. The 2011 Westminster Grand Champion Scottish Deerhound, Hickory, is a regular client. She has run high-end horse show barns, trained dogs and worked as a veterinary technician. She is also a certified Reiki practitioner.
